.....PSALM 127:3-5

QUARTERLY MINISTRY REPORT OF GODLY HERITAGE MINISTRIES

MISSIONARY/EVANGELIST, DR. E.M. PERHAM AND FAMILY

<http://www.godlyheritageministries.org>

Dear Pastor and faithful brothers and sisters in Christ,

We have just finished our third quarter schedule of meetings and have much to report to each of you. I do pray that the tumultuous world and national events and the seemingly endless political banter has not discouraged you or deterred you from your mission and purpose. May the Lord help us to find our satisfaction in Him, and give us more grace to encourage the hearts and minds of others. We must “occupy till He comes”.

## *Home and Family Revivals and Conferences Have Great Impact*

*Traveling in the states of KY,AR,MS,NC,and AL, we were privileged to conduct 10 Home and Family revivals and Marriage Enrichment conferences with great impact. The attendance at these meetings was very good with many folks from other churches attending our off-night services. We were very thankful to our gracious Lord for the honest and obedient responses to the preaching of His word. Many couples and whole families testified of the Holy Spirits working through the Word of God to bring them to a point of change. Family and marriage issues are very personal and without the prompting of God, many will just go on as they are. What an encouragement to see family members going to one another and asking forgiveness and seeking reconciliation in their marriages. While we present the principles of the Word of God, it is in this atmosphere, that many get honest about their family and personal shortcomings. During these meetings, God worked in other special ways also. We saw 2 people saved and 2 others were open to much counsel in personally presenting the gospel. Although these 2 adults were not saved right then, they were open to the truth and I believe are very close. Thankfully, they are under the follow-up care of soul winning pastors.*

## *125 Years and Counting at Lebanon Baptist Church*

*On July 27<sup>th</sup>, we had the honor of sharing the 125<sup>th</sup> anniversary celebration at Lebanon Baptist Church. What a wonderful day! Pastor Lane Finley and the great folks of this exemplary fellowship of believers were a sight to behold as they reminisced with pictures, videos, and a fellowship dinner. This church has not only had a tremendous past, but they are committed to an even greater future together in service to the Lord. May God be praised, and continue to receive all glory for what He has done in this great church! The vibrant spirit*

*carried over into the revival week that followed with many personally responding to God's promptings.*

### *Creation Museum Visit a Great Blessing*

*We were blessed as usual to spend a special Sunday with Pastor Tim Schelling and the encouraging folks at Northern Kentucky Baptist Church. We had a great day of service by preaching in all four services and our family had the privilege of singing in children's church services also. On Monday, just before heading home, Pastor and Sister Schelling treated us to lunch, and we went on to the Creation Museum nearby. What an overwhelming experience! All I can say is thank you to those in the church who donated money and their free passes to allow our whole family to attend! Our family was really blessed! Special thanks to Pastor for spending so much of his valuable time with us through the weekend.*

### *Exciting Week In North Carolina With Blairs Fork and New Hope Baptist Churches*

*When Pastor Jobie Borders asked us to come for a week-long "Family Challenge Revival", we were excited to see what God would do in the Lenoir area. God, as always, did not disappoint any who were willing to sincerely seek His face. Many during this week were facing financial problems and a state-wide gas shortage, yet they faithfully came to the meetings. Some took their vacation time from work just to attend. New Hope Baptist Pastor Joe Angle allowed us to stay in their fellowship hall and prophets chambers during the week to help with the meeting. Several area pastors brought their folks in support of the meeting as well and had their choirs sing. God blessed the efforts of these committed Christians through the week, as many came to get help from God. Each night before the services, the men and women met for prayer and testimony and poured their hearts out to the Lord. The sense of God's presence was very real and many were helped in these meetings. We are indebted to both of these pastors and their dear people for allowing us to be a part of what God would do in response to their faithful efforts. Our family was enriched by their loving care and sterling example.*

### *Hurricane Ike Rips Our Old Kentucky Home*

*For the second time this year our home was threatened by strong winds as Hurricane Ike hit Louisville and winds near 100mph hit Springfield in gusts that tore the siding off our house and blew down trees. Thankfully we were not hurt. Louisville was devastated only 60 miles away. We were able to keep all of our commitments in spite of gas prices and these personally challenging times. We are so very dependent and thankful to God and all of you who support and encourage us. Without each one of you, and God's blessing we could not go on!*

*Until next time, we love you all and thank God for you!.....Bro. Ernie, Linda, and family*

*PS. Pray for Fundamental Baptist Church, The Alexander Family and Cody; and preacher Frank Denning(brain tumor). Also for Glenn Hall(brain and lung tumors) Be sure to pray for America, especially now! Don't forget to vote and remember ....God is Still God...and Jesus is still seeking and saving the souls of men!*

***SPECIAL THANKS TO PASTOR DON SMITH AND PASTOR FRED MORRIS WHO MADE THIS COMPUTER AND PRINTER AVAILABLE TO US WHEN OURS DIED. THEIR GRACIOUS GIFT OF THIS NEW SYSTEM IS A GREAT BLESSING!***
